SUPPLEMENTARY INFORMATION:

Agenda

The Scallop Committee will discuss the 2022/23 Scallop Research Set-Aside (RSA): Develop research recommendations for federal funding announcement.

Scallop Framework 34: Receive an update on the timeline and likely measures. This action will be initiated at the June 2021 Council meeting. They will also discuss the

Rotational Management Program Evaluation and receive an update and provide input on issues that could be considered as part of the review. Also on the agenda is the Leasing Petition: review Scallops Campaign letter to NMFS requesting secretarial action to implement a scallop leasing program, develop input for Council to consider. Other business may be discussed, as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A.
